## SUMMARY

---

Started in enterprise technology sales, moved into revenue and product analysis, and now builds the GTM and activation systems behind an AI-native product. As Aiseberg's first US hire, developed roughly \$400K in qualified pipeline, recruited 13 named design partners, and helped land the first signed enterprise deal. Cut early-stage abandonment 24% through funnel instrumentation. Built the reporting a nine-figure subscription portfolio ran on at POLITICO. STEM MBA, PMP, engineering degree.

## EXPERIENCE

---

### GTM and Product Growth | Aiseberg (Aisepedia)

Sept 2025 - Present | San Francisco, CA

- Developed roughly **\$400K in qualified pipeline** across 134 tracked accounts and helped land the first signed enterprise deal with Splunk (a Cisco company) by building the US enterprise GTM motion as the first US hire, in partnership with the founder.
- Recruited and ran a **13-partner design program**, 8 at Director level or above, through 32 discovery sessions that fed positioning and the product roadmap, graduating partners into panel roles at the PMM 2.0 field event.
- Converted **1,000 targeted LinkedIn reach-outs** into 20 design-partner-program signups over six weeks through personalized, value-first outreach to senior product marketers.
- Cut early-stage abandonment **24%** by instrumenting an 8-stage funnel with 11 Mixpanel events and 22 lifecycle KPIs, then authoring a 12-stage activation-recovery playbook mapping every drop-off to a recovery action.
- Produced Aisepedia's first San Francisco field event for **36 senior attendees** and 4 panelists from Atlassian, Meta Reality Labs, and Google, owning venue, run of show, promotion, and follow-up.

### Senior Analyst, Revenue and Product | POLITICO

Jun 2024 - Jul 2025 | Arlington, VA

- Built and ran daily and monthly reporting on a **multi-product subscription portfolio** across 5 product lines and thousands of accounts, used weekly by the CEO, COO, and VP Finance to manage renewals, upsell, and pricing.
- Surfaced **\$2.6M in recoverable ACV** and \$250K in monthly expansion by analyzing renewal, upsell, and wallet-retention signals, feeding a weekly renewal report that flagged every deal renewing flat or under 5% to the sales team and VP of Finance.
- Enabled **21 account executives** to adopt a new Salesforce/OMS system with zero errors across 26,207 deal records by directing a two-month migration and establishing automated validation rules.

### STEM MBA | American University, Kogod School of Business

Aug 2022 - May 2024 | Washington, DC

### Technology Sales Specialist, Product and Customer Strategy | Quantum Corporation

Oct 2021 - Jul 2022 | Bengaluru, India

- Recovered **\$473K in YoY revenue** by running Salesforce renewal audits across 80+ enterprise accounts, reaching about 105% of target while partnering with the SVP Product and VP Sales on customer strategy.

### Technical Sales Specialist, Enterprise Infrastructure | EnCloudEn

Jul 2020 - Sept 2021 | Bengaluru, India | acquired by Quantum, Oct 2021

- Influenced the product roadmap by translating enterprise requirements into technical specifications and structuring proposals around them, feeding customer signal back to engineering through the Quantum acquisition.

### Lead, Business Strategy | Peepal Consulting

Feb 2020 - Jul 2020 | Bengaluru, India | promoted from Executive, Business Strategy, Nov 2018 - Jan 2020

- Exceeded quarterly revenue targets by **15%** across 56 enterprise accounts and hit target 9 consecutive months, earning the company's top performance award for directing GTM and account strategy.
